HERFF JONES®

ADD YOUR VOICE TO A THRIVING COMMUNITY OF GRATITUDE

The Herff Jones Teacher Shout Out gives you the chance to celebrate the difference that teachers, advisors and coaches make in our lives.

Visit TeacherShoutOut.com today and send a personal Shout Out of thanks to an educator who made an impact on your life. It could be a teacher who stayed late to help you get through a tough exam. Or a coach who never gave up on you. Or an administrator who passed along advice you've never forgotten.

Now you have the chance to join so many others—students, parents, educators—who've posted messages of appreciation, meaningful stories or simple thank-you notes. You'll find full instructions, tips and techniques for writing a Shout Out, and ways to spread the word via Facebook and other social channels.

Plus, between January 15th and March 15th, you can turn your Shout Out into teacher rewards. We're giving cash prizes to educators—and their schools—who receive the most votes during the voting period from March 16th to April 30th.

See what all the excitement is about. Send your own Shout Out today.
